Audrey LaFrenier serves as President and Chief Operating Officer for Northern Rivers Family of Services. In this role, she oversees the delivery of services to more than 16,000 children, adults, and families across more than 40 counties in New York state each year. Over her nearly four decades as a practitioner, program director, and executive, Audrey's passion, vision, and determination have helped shape the way services are delivered.

Upon the creation of Northern Rivers Family of Services in 2012, Audrey served as Chief of Services, overseeing client services at member agencies Northeast Parent & Child Society and Parsons Child & Family Center. She became an inaugural member of the organization's Executive Leadership Team, responsible for the mission-driven guidance of the agencies.

Prior to her current role, Ms. LaFrenier was Chief of Services at Parsons Child & Family Center when the agency affiliated under Northern Rivers. She has held various leadership roles at Parsons where she, as a professional social worker, built her career caring for children and families.

She earned her master's degree in social work from the University at Albany and her bachelor's degree in education and early childhood development from the University of Massachusetts at Amherst.

Audrey was inducted into the Women in Human Services Hall of Fame for New York state in 2018.
