mobile, 518.337.6278
Michelle.Miller@nrfs.org

These services are provided by Northern Rivers Family of Services and member agencies.

The School at Northeast is a coed special educational program for up to 150 students in grades 6–12. The school is certified as a special education facility by the New York State Department of Education. Students served may be residential or Day Education program participants and typically cope with multiple issues including educational disabilities, family instability, emotional trauma, delinquency, mental illness, truancy, and substance abuse. The school offers a full curriculum in structured and supportive learning environment, providing students with a variety of academic, recreational, and vocational opportunities.

Education Services

- Individualized education program
- Comprehensive behavior management system
- Career development and transitional services
- A team of professionals who work with each student to help meet academic and personal goals
- Seven self-contained and nine departmentalized classrooms
- Classes of 8–12 students with one teacher and one teacher's assistant
- Individual, group, and family therapy
- On-site clinicians
- Door-to-door transportation to and from school
- Computerized classrooms with assistive technology

Benefits

- Small student-to-staff ratio permits individualized attention and instruction
- Technology-rich environment
- Therapeutic environment with clinicians on site
- Career development opportunities
- Alternative educational programs including:
 - Model transition program
 - Work program
